GREETINGS FROM CHAIRMAN

Dear Professors, Doctors, and Colleagues,

We are pleased to inform you that the 40th Fiesta Urology event will be held once again in Surabaya, specifically at the Double Tree by Hilton Hotel, from July 5th to 8th, 2023, with the theme "Recover Together to Improve Urology Practice Skills".

After facing challenging years due to the COVID-19 pandemic, we are confident that we can recover together and improve our urology practice skills. This event is an opportunity to learn from top urology experts and practitioners from around the world, as well as to collaborate with fellow urology practitioners.

We have an exciting and diverse schedule for this event, including symposiums on the latest topics in urology practice, workshops on PCNL and Microsurgery, and a pediatric urology masterclass. The scientific program will also include various moderated poster competitions, so start preparing your scientific work now. The deadline for abstract submission is June 15th, 2023.

We believe that this event will provide great benefits for all participants, whether they are new to the field of urology, starting their career in urology, or experienced urology practitioners.

We hope that this event will provide a useful experience and strengthen our urology practice together. Be sure to mark these dates and bring your family to join us in the city of Surabaya. Do not hesitate to contact our contact person* via WhatsApp for registration, abstract, and hotel reservation details. We look forward to seeing you in Surabaya.

Sincerely,
